

# 8500 HEAD CART TRAILERS

## The secure, durable option for transporting combine heads

With the right equipment, transporting large, heavy combine heads can be easy, even with stalk rollers installed. Yetter Farm Equipment's 8500 Head Cart Trailers can safely transport standard or draper platforms and folding or standard corn heads around your on-the-go operation. Head Cart Trailers are available in five model lengths.

### 8500 HEAD CART TRAILERS

#### Load and transport combine heads safely

- » Twin rest brackets with 12" pads fit standard or draper platforms and folding or standard corn heads
- » Full-length upper bar features tool-free universal angle position supports
- » Works with Yetter Stalk Devastator™ rollers\* and most stalk stompers from other manufacturers
- » Central-beam design has adjustable lower and upper positioning supports
- » Upper bar is open and can store an extra sickle

\*The Head Cart Trailer is shown with the 5000 Stalk Devastator installed on a corn head.
